VINEYARD

This red blend is a traditional field blend of six varietals, all co-fermented from a 110-year-old dry farmed vineyard in the Dry Creek Valley. Cool nights and warm days allow this vineyard to crawl along at its own pace, yielding complex fruit and dense flavors, year after year.

ABOUT SPICY VINES

With charisma and panache, Spicy Vines is the epitome of hip, cool, and far-out California wine culture. Based in Healdsburg, CA, we're a proudly female-founded, family-owned winery — and one of Sonoma County's most exciting boutique producers.

Spicy Vines is known for crafting honest, small-lot wines that exude exceptional depth, quality, balance, and character. We source our grapes from some of the region's most coveted high-elevation and old-vine vineyard sites, producing a diverse lineup of robust reds, crisp whites, and unique varietals and spirits.
